Gratitude

Thoughts for the 28th Sunday in Ordinary Time Year C

A true disciple must live in an attitude of gratitude, not entitlement. We must not think of the blessings in our lives as things we deserve or have earned. There are others with less blessings who are just as good and just as beloved as we are. When we live in gratitude, we understand that God has given us gifts to share with others.

Jesus heals all ten lepers in the gospel. And he tells them that their faith was essential to this healing. In fact, he does not even touch them, as he often does when healing people. Instead he just tells them to go to the priests. They believe his word and are made clean. But nine of them don't seem to realize that this healing is a gift from God. Only the foreigner, who worships differently than the Jews, returns to give thanks.

Pope John XXIII was head of the Catholic Church and sovereign of the Vatican City State from 28 October 1958 until his death in 1963. Angelo Giuseppe Roncalli was one of thirteen children born to Marianna Mazzola and Giovanni Battista Roncalli in a family of sharecroppers who lived in Sotto il Monte, a village in the province of Bergamo, Lombardy. He was ordained to the priesthood on 10 August 1904 and served in a number of posts, as nuncio in France and a delegate to Bulgaria, Greece and Turkey. In a consistory on 12 January 1953 Pope Pius XII made Roncalli a cardinal as the Cardinal-Priest of Santa Prisca in addition to naming him as the Patriarch of Venice. Roncalli was unexpectedly elected pope on 28 October 1958 at age 76 after 11 ballots. Pope John XXIII surprised those who expected him to be a caretaker pope by calling the historic Second Vatican Council, the first session opening on 11 October 1962.
