UBUNTU

UBUNTU is a very nice story from Africa...
The motivation behind the Ubuntu culture in Africa...
An Anthropologist proposed a game to the African tribal children...

He placed a basket of sweets near a tree
And made the children stand 100 meters away.
Then announced that whoever reaches first
would get all the sweets in the basket.
When he said 'ready steady go!'...

Do you know what these children did?
They all held each other's hands, ran together
towards the tree, divided the sweets equally
among themselves, ate the sweets and enjoyed
it.
When the Anthropologist asked them why
they did so,
They answered.... "Ubuntu."

Which meant -
'How can one be happy when the others
are sad?'

Ubuntu in their language means -

"I am because we are"
A strong message for all generations.

Let all of us always have this attitude and
spread happiness wherever we go.

Let's have a "Ubuntu" Life...
I AM BECAUSE WE ARE

Please pray for...

EASTER PRAYER

Lord we lift our hearts to you. As the dawn breaks, may we carry the unity we share into every moment knowing that we are one with the risen Christ. Lord, we lift our eyes to you. As the sunrises, may this moment stay with us, reminding us to look for the beautiful colours of promise in your word. Lord, we lift our prayers to you. As the dew air falls, may we breathe this morning in and know that like the earth, you sustain us, keep us and work within us always. And so, we lift our voices to you. We celebrate the greatest day in history, when Jesus rose from death, defeated darkness and bathed the world in stunning resurrection light. May we ever live to praise you! Amen.
