### Why Go To Church?

A Church goer wrote a letter to the editor of a newspaper and complained that it made no sense to go to church every Sunday— “I’ve gone for 30 years now,” he wrote, “and in all that time I have heard something like 203,000 sermons. But for the life of me, I can’t remember a single one of them. So, I think I’m wasting my time and the pastors are wasting theirs by giving sermons at all.”

This started a real controversy in the “Letter to the Editor” column, much to the de-

light of the editor. It went on for weeks until someone wrote this clincher:

“I’ve been married for 30 years now. In that time my wife has cooked some 32,000 meals. But, for the life of me, I cannot recall the entire menu for a single one of those meals. But I do know this. They all nourished me and gave me the strength I needed to do my work. In all likelihood, if my wife had not given me these meals, I would be physically dead today. Likewise, if I had not gone to church for nourishment, I would be spiritually dead today!”

When you are down to nothing.....God is up to something! Faith sees the invisible, believes the incredible, and receives the impossible! Thank God for our physical *and* our spiritual nourishment!

All right, now that you’re done reading this little clip, here’s one more thought: “When Satan is knocking at your door, simply say, ‘Jesus, could you get that for me?’”

Amen!
